Guarantee of Payment Consent Form

Many insurance companies, including managed care organizations, require written authorization for treatment and follow-up visits. As a patient, it is your responsibility to obtain all necessary authorizations from your insurance company prior to receiving medical services.

If you have not received prior approval for the service or authorization has been denied, or if you do not have out-of-network benefits, you are fully responsible for all charges. In addition, you will be responsible for all deductibles, co-insurance, co-payments, any service that is not covered by your insurance plan, and any service that your insurance company has determined not to be "medically necessary".

Co-payments are collected at the time of service when they can be anticipated. All returned checks will incur a \$50.00 service fee in addition to any fees assessed by our banking institution.

I understand that failure to pay a bill on time (after 3 bills have been sent) may result in a further review by a collection agency and I understand that I will be further responsible for any additional fees or legal fees associated with the collection of any balance of the visit and any related procedures will be collected at the time of the services rendered based upon the best information available to the practice.

Cancellation and No Show Policy

Thank you for choosing Nkrumah Neurosurgery & Spine for your healthcare needs. We strive to meet and exceed the expectations of all our patients. To provide the best care for all our patients, we have implemented the following policy for appointment cancellations and no-shows. We understand that circumstances may arise that require you to cancel or reschedule your appointment. However, we kindly ask that you notify us at least 24 hours in advance if you need to cancel or reschedule. We firmly believe that good physician-patient relationship is based on clear communication and understanding. Please read carefully and sign below.

1. No-Show Policy:

A **no-show** is defined as failure to attend a scheduled appointment without prior notification. Missing your appointment without notice negatively impacts our ability to serve other patients and can delay your care.

2. Fees for Late Cancellations or No-Shows:

- If an appointment is cancelled with less than 24 hours' notice, or if you do not show up for your appointment, you may be charged a \$25 fee for the missed visit. This fee is not covered by your insurance company.
- If you repeatedly miss or cancel appointments without proper notice, we may ask that you seek care with another provider.

3. Exceptions:

We understand that emergencies and extenuating circumstances can happen. Please contact us as soon as possible if an emergency occurs. Each case will be reviewed on an individual basis.

Acknowledgment and Agreement:

By signing below, you acknowledge that you have read and understand this Cancellation / No-Show Policy. You agree to abide by the terms outlined above, and you consent to the charges for missed appointments or late cancellations as described.

Please sign that you have read and understand this Cancellation and No Show Policy.
